## Task 1 - Descriptive Writing (30 minutes)

Choose ONE of the following images and write a piece describing the scene. Do not include a plot or developed characters. Write **at least 200 words**.

Write your response on the lined paper provided.

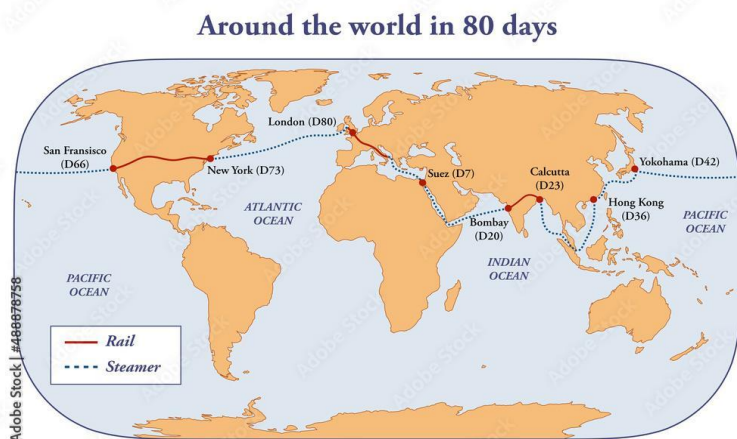

You are allowed to write about scenes you imagine happening beyond the picture.

## Task 2 - Creative Writing (>75 minutes)

Choose **ONE** of the following options (Option A **OR** Option B). Write **at least 500 words**.

### Option A

*Around the World in Eighty Days* (1871) is a famous novel by Jules Verne about a man who travels around the globe in under three months. Below is his journey.

Imagine that you are completing the same journey in 2025. You are allowed to travel by boat, train, bus, foot, bicycle, car, or anything else, but **not by plane**. You must begin and end your journey in the same place. Describe your travels, the things you see, and the people you meet. You do not have to follow the route on the map, but you can if you wish.

## Option B

Write a story about a disastrous camping trip.

Tick the box next to the option that you have chosen. Tick one box only.

**Option A**

**Option B**

Write your response on the lined paper provided.

### **Tips**

1. Plan before you write.
2. Your writing should have a beginning, a middle and an end.
3. Use your imagination to make your story interesting for the reader.
4. If you choose Option A, remember you are being judged on your creative writing and English language skills - you will not lose marks for reasonable geographic inaccuracies.
5. Before the assessment ends, read your writing and fix any mistakes that you find. Make sure you have enough time to do this.
